

Research Terms and Conditions (RTC) Appendix A
Prior Approval Matrix
Formatted by the University of Washington

Prior Approval items are listed below with the 2 CFR Reference and if the RTCs Require (R) or Waive (W) obtaining federal sponsor approval. Three federal sponsors (National Science Foundation, Department of Energy, and National Institutes of Health) are then listed with either a “R”-required or “W”-waived designation. Footnotes are listed at the bottom of each page.

Any of RTC designations can be superseded by the terms and conditions of the specific federal award; always review the federal award to determine any prior approval requirements.
