

Guide to the Code of Federal Regulations (CFR)

Flow of Information on the [Code of Federal Regulations \(CFR\) eCFR website](#):

How the Federal Regulations are Numbered/Classified

Title 2 CFR Part 200 Office of Management and Budget (OMB's) directive to Federal Agencies to implement the Uniform Guidance (UG). Includes the original language for the Uniform Guidance. Often shortened to 2 CFR 200.

Title 2 CFR Part XXX Agencies adoption of the UG where XXX are the different agencies.

For example:

2 CFR 300 Department of Health and Human Services (DHHS) adoption of the UG

2 CFR 1100 Department of Defense's (DOD) adoption of the UG

2 CFR 1800 NASA's adoption of the UG

Title XX CFR Part XXX Each agency also has its own Title where it then directs its recipients (e.g., the UW) to adopt the UG.

For example:

Title 45
Public Welfare

Title 45 Parts 1-199
DHHS (includes PHS agencies, such as NIH and CDC)

Title 45 Part 75
DHHS' directive

Title 45 Part 74
DHHS' directive to the Circulars (status is now "Reserved")

Aeronautics and Space

Title 14
NASA

Title 14 Part 1200
