SECTION 5: HAZARDOUS MATERIALS/EQUIPMENT

SUBJECT: HAZARDOUS MATERIALS Procedure #5.5

SUBJECT TO VENDOR RECALL

POLICY

Occasionally a vendor will send a notice of potential hazard or modified recall of a product. These come to Purchasing because of the invoice address. If such a notice is received, it should be referred to the Environmental Health and Safety Department with all information we have from vendor, who will determine how to locate the equipment or material and will notify campus department.
