- 1) Please briefly summarize your unit's/campus's strategic plan and how your FY24 operating budget proposal (as submitted in Workday Adaptive Planning) connects to your campus/unit strategic plan. *Word Limit: 500*

We are actively working on the following three priorities: (1) serve the state by providing excellent, independent, and ethical legal advice and representation to our clients; (2) protect the people by safeguarding the legal rights of the state; and (3) empower our employees by creating a positive work environment that recognizes employees as our most valuable resource and fosters integrity, professionalism, civility, and transparency. The AGO operating budgeting pays the salaries of UW-employed AGO staff, who are a critical part of those strategies.

- 2) Building on the responses your campus/unit submitted during the FY23 annual review cycle ([posted here](#)), how has your unit/campus integrated the themes and goals of [the 2022 – 2026 UW Diversity Blueprint](#) into your campus's/unit's ongoing work to take actions towards access, inclusion, and equity? *Word Limit: 750*

Our unit is supporting the themes and goals of the UW's Diversity Blueprint. We also actively work with the Attorney General's Office as the AGO is committed to creating a positive work environment that recognizes employees as its most valuable resource. Integrity, professionalism, civility, and transparency are hallmarks of the AGO workforce. Our core values are served by strongly promoting inclusion and equity throughout the organization, while embracing the individual differences of our employees and clients. Currently, the division is working closely with the AGO's Racial Equity Unit to develop racial equity goals for the division. We expect those to be finalized over the next few months.
