<sup>1</sup> Although these tuition categories follow Tier I and Tier III rates, respectively, the revenue from interdisciplinary programs is distributed under a different formula than other tuition revenue, hence the need for separate tuition categories.

<sup>2</sup> The School of Nursing is transitioning existing tuition-based tracks to fee-based in Autumn 2026 for new students. Current students will remain tuition-based through the completion of the 3-year program, at least through FY28. Incremental increases for the tuition-based degree track will continue through this transition period.
