

Power Bank - P2200 Bar

- Item number: P2200 BAR AS
- Our Bar Power Bank can charge any phone to keep you productive throughout the day. Its sleek design and battery will keep your mobile devices charged up anywhere. The 2,200 mAh internal battery is generally considered as the minimum battery size to charge an iPhone 5 and Android Smartphones from Samsung, Motorola, HTC, Nokia and others with the included Micro USB input cord. The 5V/1000mAh USB output will charge at the same rate as most wall chargers.
- Colors: Black, Red, Blue, Silver
