PAS Closure will be completed Today, Monday January 11th

UWIT has completed programming changes that will remove requisition entry and approval in PAS, rendering all PAS access as Inquiry-only, **today Monday, January 11th**. The UW technical team will make these changes to PAS between 10:00am – 12:00 pm. New, Inquiry-only PAS access will be visible the next time a user logs into PAS beginning any time between 10:00am - 12:00 pm Monday depending on their current access.

The partnership with our department customers has been remarkable and we'd like to congratulate all of you for the effort that has taken place all across our three UW campuses to make this PAS closure possible. We can't thank you enough.
