

## November 2021 MRAM Q&A Follow Up

### Greetings Colleagues,

The [November 4th MRAM materials](#) are published for your review. Q&A from our session are included here for reference and will be available with the other meeting materials shortly.

### Cost Share

**Q:** Is there a video training available for cost share?

**A:** Yes, multiple videos on different aspects of cost share at the UW that can be found on the GCA website. Additionally, there are two cost share courses offered by CORE, one of which (Understanding Cost Share at the UW) is offered “On Demand” as an eLearning.

### Changes to Privacy and Personal Data Protection Practices

**Q1:** Do you consider UW NetID personal data?

**A1:** Yes. In some instances, a UW NetID may be subject to or protected by certain laws and regulations.

**Q2:** Procurement recently requested a DPA for vendor work associated with de-identified data. Can you please speak to if there is a need and/or the purpose for needing a DPA for work with a vendor related to de-identified data?

**A2:** It depends. Please use the recently created [DPA Decision Support Tool](#) to determine the need for a DPA.

Thank you,  
MRAM
