Good afternoon Service & Recharge Center Operators,

Hope everyone had a good Super Bowl weekend!

This is a reminder that all Service and Recharge centers are required to submit an annual proposal with dean's office approval to MAA (including Recharge centers despite MAA not having to formally review them annually). Centers failing to submit a proposal or request an extension are operating out of compliance with University policy ([Service and Recharge Center Guidelines III.a.i.ii](#)). Rate proposals and Dean's office approvals are due to be submitted to MAA **6 weeks** prior to the rate expiration. If a Center is non-compliant, MAA will contact the Center's Dean's office to discuss next steps.

Go Hawks!
