

New Paymode-X Connect Premium Program

Feature	Basic Membership (no fee for UW payments)	Premium Membership (fees apply)	Description
Cost savings from check to electronic (ACH) payment migration			Reduced cost, realize efficiencies, and increase speed of pay.
Upcoming payment notification via email, 24 hr prior			Basic membership provides link to portal. Premium membership email includes remittance detail.
Online portal with 24x7 access			Both memberships include access to a Supplier Portal. Premium Portal is enhanced with additional tools.
Ability to update profile information online			Improved information management to ensure payments are successful.
Rich remittance detail in ERP-ready format			Basic Membership supports limited formats available through the website. Premium Membership supports custom formats, including CTX or a custom AR file.
Premium Invoice Delivery			Electronically deliver invoices, track whether they have been delivered to/actioned by customers, and prioritize follow-up as needed.
Payment Tracker			View a snapshot of all upcoming payments, or detailed graphical and list views of payment history.
“My Payers” View			Track and trend customer payments over time.
Customer Address Book			Easy access to payer-maintained contact information allows for simple outreach as needed.
Document Upload tool			Upload critical business documents to the secure Paymode-X site and specify which payers may access.
Advertise with <i>Vendor Spotlight</i> and <i>Vendor Connect</i>			Suppliers can feature their logo on paymode-x.com with a direct link to their company website to attract more business.
