IN REPLY REFER TO

ONR 247

Mr. Mark Conley
Executive Director, Procurement Services
University of Washington
4300 Roosevelt Way NE
Seattle, WA 98105

Dear Mr. Conley:

Enclosed is a copy of the Contractor Purchasing System Review (CPSR) report conducted at your institution on November 12 – 17, 2017. Based upon the results of this review, the University of Washington's purchasing system is considered adequate to protect the Government's interest and is approved through unless determined to be different, three years from the date of this letter.

Your corrective action plan dated 13 December 2017, addressing the recommendations reported to you in the enclosed report, has been received and is found to be acceptable.

Approval of your purchasing system is given pursuant to FAR Subpart 44.3, and applies to all Federal Government contracts to the extent that cross-servicing arrangements exist. System approval shall automatically terminate at the end of the approval period, (or approval period as extended), or when any significant change occurs in the system, unless approved by the ACO. It may be withdrawn at any time at the discretion of the ACO.

This approval may waive some of the consent to advance notifications requirements for certain subcontracts per the subcontracting clause (FAR 52.244-2 and Agency supplements).

If you have any questions, please contact me at 206-548-7243, or Robert.Rice@navy.mil.

Sincerely,

ROBERT J. RICE
Administrative Contracting Officer
