IRS Tax Form Filing

Employers & Businesses are required to submit tax data to the IRS

- > The most common forms submitted by employers & the UW include Forms W-2, 1042-S, 1098-T & 1099-Misc.

All recipients of these forms are also required to individually file a personal tax return for the IRS which will include all of their received tax forms. Most nonresident aliens file form 1040NR

The IRS compares employer information submitted against personal individual tax returns. This is when the IRS determines if your tax withholding through 2024 was accurate, or if you owe additional taxes, or if you are owed a tax refund.

Note: Starting with tax year 2020, IRS Form 1040NR-EZ no longer exists

How to make a payment - IRS

- > Pay directly to irs.gov
- > Payment options on irs.gov/payments

International wire transfer

In order to complete an international wire transfer through your foreign bank, you will need to complete the [Same-Day Taxpayer Payment Worksheet](#)  with the proper [Tax Type Code](#) and tax period (year and/or quarter) so that the funds will be properly applied to your IRS tax liability. After you have completed the worksheet, take it to your bank to request international wiring.

Your foreign bank must have a banking relationship with a U.S. bank, although the U.S. bank does not have to be an affiliate or otherwise related to the foreign bank. Small local banks may not be able to affect an international wire transfer but most large banks can. If your bank is able to transfer money to the U.S., it will ask you to complete an application for international wiring. You will need the Routing Transit Number (RTN), also known as the American Banking Association (ABA), number for the "Destination Bank", sometimes referred to by banks as "Beneficiary's Bank".

To complete a wire transfer you will need the following information:

- A completed Same-Day Taxpayer Worksheet
- IRS account number - **20092900IRS** (optional)
- IRS account RTN/ABA Number - **091036164 US TREAS SINGLE TX**

Tip - Please complete the Same Day Taxpayer Worksheet PRIOR to going to your bank. The information from the worksheet will be needed to complete the wiring application required by the bank.

Other tax filing options (separate from Glacier Tax Prep):

Tax professionals and certified tax accountants, who charge for their services, can assist you with your taxes.

State Income Taxes

Washington state does not have a state income tax. However, if you worked in a state that has state income tax, Glacier Tax Prep (GTP) has a link to another company that will calculate your state income tax. You will have to pay for that service as it is not a part of GTP. The link is on the last page of GTP after you complete all the questions for the federal tax return.

Resident Aliens for Tax Puposes

If GTP determines that you are a **resident for tax purposes**, please click on the link provided by GTP and go to *Free File: Do Your Federal Taxes for Free* and select a company. *Please note that this is only for students who are told by GTP that they have been in the U.S. for such a long time that they are residents for tax purposes and cannot use GTP.*

Being a resident for tax purposes does not change your immigration status; it only changes your tax status.

Tax professionals and certified tax accountants, who charge for their services, can assist you with your taxes.
