For your information, we have a guide that lists the vendors who currently have set up Electronic Fund Transfer (ACH) accounts with the University of Washington.

If you are billing a government agency or a military department, you can use this guide to contact a vendor to send payments to UW by using an Electronic Fund Transfer (ACH) account.

If you have questions regarding a payment you received from a vendor, please contact the vendor by using the contact information we list in the guide.

The vendor list is divided into two parts. Part 1 is the vendors who currently send in payments to UW daily. Part 2 is the vendors who have Electronic Fund Transfer (ACH) accounts with UW, but only send in payments when requested.

Student Fiscal Service will update this list when vendors make changes. If you have any questions, please contact us by email: sfshelp@u.washington.edu or by phone: 206-543-4694.
