

UNIVERSITY OF WASHINGTON EMPLOYEES

# Find your seat on the fast track to status.

We're accelerating your path to Atmos™ Rewards status! Take advantage of this exclusive, limited-time offer, giving you 180 days to achieve status. Once you earn status, you'll enjoy amazing benefits like First and Premium Class upgrades, priority check-in and boarding, free checked bags, and more.

## To get on the fast track:

- 1 Register at <https://www.alaskaair.com/uwfasttrack> by June 30, 2026. Be sure to use your company email address — we'll need it to verify that you are indeed a University of Washington employee.
- 2 Check your inbox for a confirmation email and click the link provided to verify your entry. Then, you'll be upgraded to a trial Atmos Silver status — **good for 180 days.**
- 3 **Fly with us during your 180-day window** to earn a higher level of status.
  - Fly 2 roundtrips on Alaska to keep Atmos™ Silver status.
  - Fly 4 roundtrips on Alaska to earn Atmos™ Gold status.
  - Fly 10 roundtrips on Alaska to earn Atmos™ Platinum status.

Registration is open to new members and current members who have not previously registered for this offer. [See details.](#)

Terms and conditions: Complimentary upgrades are not available when booking a Saver fare, in X class of service. Only Atmos Rewards members who work at University of Washington as indicated by a company email address, are eligible for this offer. Eligible members who register for this promotion will be upgraded to Atmos™ Silver status and will retain that status for 180 days from the day it was received. Registered members must complete 2 round trips (4 qualifying flight segments) between date of registration and 180 days from that date in order to extend their Atmos Rewards status, 4 round trips (8 qualifying flight segments) to earn Atmos™ Gold status, or 10 round-trips (20 qualifying flight segments) to earn Atmos™ Platinum status. If you begin your challenge before June 30 of a calendar year, and the flight requirement is met during the initial 180-day period, you will qualify for status through the end of the applicable calendar year. To qualify, flights must be marketed and operated by Alaska Airlines, Hawaiian Airlines or on behalf of Alaska by Horizon Air or SkyWest, and must be credited to the member's Atmos Rewards account. Qualifying flights must take place between the date registered for this promotion and 180 days from that date. Codeshare flights, flights on global partners or oneworld partners, free or award travel, or on Saver Fares, which are flights booked in X class of service, are not qualifying flight segments under this promotion. A member may only register and participate for this promotion one time. The fast track to status offer cannot be combined or extended with other status promotions. All terms and conditions of the Atmos Rewards program apply. Offer subject to change without notice.
