Approve Resolution to Issue General Revenue Obligations (Bonds) for University Projects and Refunding

RECOMMENDED ACTION

It is the recommendation of the administration and the Finance and Asset Management Committee that the Board of Regents approve:

1. The resolution and funding plan to allow for the issuance of General Revenue obligations, and for the sale of these obligations through July 31, 2024, for the following purposes:
 - a. The issuance of General Revenue Bonds not-to-exceed \$312 million in aggregate principal amount; and
 - b. The refunding of any existing debt issued by or on behalf of the University to achieve debt service savings or to remarket bonds from time to time; and
2. Delegation to the President or her designee(s) the authority to proceed with the issuance of the bonds and notes, to establish all other terms of the bonds and the notes, and to execute other documents and approvals as required to complete the transaction(s).

GENERAL REVENUE OBLIGATIONS (BONDS): BACKGROUND

In May 2008, the Board of Regents adopted a revised debt policy that authorized the creation of the Internal Lending Program (ILP). As part of this policy, bonds paid from General Revenues are issued to fund internal loans for approved campus projects and to refund outstanding obligations of the University. Issuing bonds at an institutional level minimizes the cost of issuance and assures that the lowest interest rate is achieved.

In FY 2023, the University did not issue bonds due to having sufficient bond proceeds on hand and the less favorable interest rate environment. Existing bond proceeds were used to fund a portion of approved projects, including UW Medicine small works capital projects and the Montlake Campus Membrane Repair project.

In addition to the planned debt issuance, the University may choose to issue refunding obligations. Refunding obligations may be issued to capture economic

benefit (e.g. debt service savings), to remarket bonds from time to time, and/or to achieve longer-term strategic objectives by amending bond terms. Bonds issued to refund the candidates listed in the exhibit are authorized under this resolution. Any refunding for other purposes, or of debt not included as a refunding candidate in the exhibit, will require specific regental approval.

FUNDING PLAN

The requested bond authorization for FY 2024 is \$312 million. As shown below, this authorization is expected to fund up to \$125 million of capital projects, \$180 million for the payoff of interim financing for the Finance Transformation project, pay issuance costs, and allow flexibility to accommodate market pricing conditions at the time of the bond sale(s).

Bond Sizing (\$000)

Expected capital project expenditures ⁽¹⁾	\$125,000
Payoff of interim financing for the Finance Transformation project ⁽²⁾	180,000
<hr/>	<hr/>
Total debt needed to fund projects	305,000
Plus: Estimated cost of issuance and allowance for Discount Bonds ⁽³⁾	7,000
<hr/>	<hr/>
Total bond authorization	\$312,000

- (1) Includes estimated project draws for UW Medicine small works capital projects, Montlake Campus Membrane Repair project and Operating Room Expansion. All or part of project expenditures may be initially financed through the University's commercial paper program.
- (2) Reflects the payoff of commercial paper used to fund the Finance Transformation project on an interim basis.
- (3) Depending on market conditions, investors may want the interest (coupon) rate they receive on bonds to be less than the market rate (yield), aka "Discount Bonds". Should this occur, the University would need to sell more bonds to fund approved projects.

REFUNDING

The bond resolution provides a list of eligible debt to be refunded. Eligible debt includes both debt originally issued by the University and debt issued on behalf of the University (e.g. South Lake Union Lease Revenue Bonds, FHCC Promissory

note, State of Washington General Obligation bonds, and State of Washington Certificates of Participation).

FINANCING STRUCTURE

The current schedule calls for bonds to be issued in February or March of 2024. The final structure and timing of the bonds will be dependent on market conditions and will be reported to the Board of Regents when available. The bonds issued in FY 2024 will be General Revenue Bonds and are expected to have a term of no longer than 30 years (under statute, UW bonds can have a term no longer than 40 years).

Upon such designation, such 2023/2024 Bonds shall be a series or subseries, as applicable, for the purposes of this resolution, unless and until consolidated or changed to another series or subseries designation by written direction of the Authorized Representative of the University. All 2023/2024 Bonds of a series shall be in the same Mode, but any two series need not be in the same Mode.

The 2023/2024 Bonds shall be executed on behalf of the University by the manual or facsimile signatures of the Chair and the Secretary of the Board (including electronic signature as permitted by law), and the official seal of the University shall be reproduced thereon. The validity

of any 2023/2024 Bond so executed shall not be affected by the fact that one or more of the officers whose signatures appear on such 2023/2024 Bond have ceased to hold office at the time of issuance or authentication or at any time thereafter.

Section 6. Authentication.

No 2023/2024 Bonds shall be valid for any purpose hereunder until the certificate of authentication printed thereon is duly executed by the manual signature of an authorized signatory of the Registrar. (a) *Registrar.* The 2023/2024 Bonds shall be issued only in registered form as to both principal and interest. The University hereby appoints the Fiscal Agent as the Registrar for the 2023/2024 Bonds. So long as any 2023/2024 Bonds remain Outstanding, the Registrar shall make all necessary provisions to permit the exchange or registration of transfer of 2023/2024 Bonds. Any successor Registrar must be the Authorized Representative of the University or a commercial bank with trust powers or a trust company. No resignation or removal of the Registrar shall be effective until a successor shall have been appointed and until the successor Registrar shall have accepted the duties of the Registrar hereunder. The Registrar is authorized, on behalf of the University, to authenticate and deliver 2023/2024 Bonds transferred or exchanged in accordance with the provisions of such 2023/2024 Bonds and this resolution and to carry out all of the Registrar's powers and duties under this resolution. The Registrar shall be responsible for its representations contained in the certificate of authentication on the 2023/2024 Bonds.

The Registrar shall keep, or cause to be kept, sufficient books for the registration and transfer of the 2023/2024 Bonds which shall at all times be open to inspection by the University (the "Bond Register").

(b) *Letter of Representations/Book-Entry System.* To induce DTC to accept the 2023/2024 Bonds as eligible for deposit at DTC, the University has executed and delivered the Letter of Representations. Except as otherwise set forth in the Bond Terms Agreement, the 2023/2024 Bonds initially issued shall be held in fully immobilized form by DTC acting as depository pursuant to the terms and conditions set forth in the Letter of Representations.

(c) *University and Registrar Not Responsible for DTC.* Neither the University nor the Registrar will have any responsibility or obligation to DTC Participants or the persons for whom they act as nominees with respect to the 2023/2024 Bonds in respect of the accuracy of any records maintained by DTC or any DTC Participant, the payment by DTC or any DTC Participant of any amount in respect of the principal or Redemption Price of or interest on the 2023/2024 Bonds, any notice which is permitted or required to be given to Registered Owners under this resolution (except such notices as shall be required to be given by the University to the Registrar or to DTC), the selection by DTC or any DTC Participant of any person to receive payment in the event of a

partial redemption of the 2023/2024 Bonds or any consent given or other action taken by DTC as the Registered Owner.

(d) *DTC as Registered Owner.* Except as otherwise set forth in the Bond Terms Agreement, payment of any such 2023/2024 Bond shall be made only as described in this section, but the transfer of such ownership may be registered as herein provided. All such payments made as described in this section shall be valid and shall satisfy and discharge the liability of the University upon such 2023/2024 Bond to the extent of the amount or amounts so paid. Except as provided in Section 27, the University and the Registrar shall be entitled to treat the Securities Depository (as Registered Owner) as the absolute owner of all 2023/2024 Bonds for all purposes of this resolution and any applicable laws, notwithstanding any notice to the contrary received by the Registrar or the University. Neither the University nor the Registrar will have any responsibility or obligation under this resolution or the 2023/2024 Bonds, legal or otherwise, to any other party including DTC or its successor (or substitute Securities Depository or its successor), except to the Registered Owners.

(e) *Use of DTC/Book-Entry System.*

(1) *2023/2024 Bonds Registered in the Name Designated by DTC.* Except as otherwise set forth in the Bond Terms Agreement, the 2023/2024 Bonds shall be registered initially in the name of “CEDE & Co.,” as nominee of DTC, (or such other name as may be requested by an authorized representative of DTC) with one 2023/2024 Bond maturing on each maturity date of a series or subseries bearing interest at a particular rate in a denomination corresponding to the total principal therein designated to mature on such date and bearing interest as such rate. Registered ownership of such immobilized 2023/2024 Bonds, or any portions thereof, may not thereafter be transferred except (A) to any successor of DTC or its nominee, *provided that* any such successor shall be qualified under any applicable laws to provide the service proposed to be provided by it; (B) to any substitute Securities Depository appointed by the Authorized Representative of the University pursuant to subsection (2) below or such substitute Securities Depository’s successor; or (C) to any person as provided in paragraph (4) below.

(2) *Substitute Depository.* Upon the resignation of DTC or its successor (or any substitute Securities Depository or its successor) from its functions as Securities Depository or a determination by the Authorized Representative of the University that it is no longer in the best interest of Beneficial Owners to continue the system of book-entry transfers through DTC or its successor (or any substitute Securities Depository or its successor), the Authorized Representative of the University may hereafter appoint a substitute Securities Depository. Any such substitute Securities Depository shall be qualified under any applicable laws to provide the services proposed to be provided by it.

(3) *Issuance of New 2023/2024 Bonds to Successor/Substitute Depository.* In the case of any transfer pursuant to clause (A) or (B) of paragraph (e)(1) above, the Registrar shall, upon receipt of all outstanding 2023/2024 Bonds of a series or subseries, together with a written request on behalf of the Authorized Representative of the University, issue a single new 2023/2024 Bond for each maturity of such series or subseries of 2023/2024 Bonds then Outstanding and bearing interest at a particular rate, registered in the name of such successor or such substitute

Securities Depository, or their nominees, as the case may be, all as specified in such written request of the Authorized Representative of the University.

(4) *Termination of Book-Entry System.* In the event that (A) DTC or its successor (or substitute Securities Depository or its successor) resigns from its functions as Securities Depository, and no substitute Securities Depository can be obtained, or (B) the Authorized Representative of the University determines that it is in the best interest of the Beneficial Owners of the 2023/2024 Bonds that they be able to obtain 2023/2024 Bond certificates, the ownership of 2023/2024 Bonds may then be transferred to any person or entity as herein provided, and the 2023/2024 Bonds shall no longer be held in fully immobilized form. The Authorized Representative of the University shall deliver a written request to the Registrar, together with a supply of definitive 2023/2024 Bonds, to issue 2023/2024 Bonds as herein provided in any Authorized Denomination. Upon receipt of all then Outstanding 2023/2024 Bonds by the Registrar together with a written request on behalf of the Authorized Representative of the University to the Registrar, new 2023/2024 Bonds shall be issued in such Authorized Denominations and registered in the names of such persons as are requested in such written request.

(f) *Transfer or Exchange of Registered Ownership; Change in Denominations.* If the 2023/2024 Bonds are no longer held in immobilized, book-entry form, or if so provided in the Bond Terms Agreement, the transfer of ownership of any 2023/2024 Bond may be registered and such 2023/2024 Bonds may be exchanged, but no transfer of any 2023/2024 Bond shall be valid unless it is surrendered to the Registrar with the assignment form appearing on such 2023/2024 Bond duly executed by the Registered Owner or such Registered Owner's duly authorized agent in a manner satisfactory to the Registrar. Upon such surrender, the Registrar shall cancel the surrendered 2023/2024 Bond and shall authenticate and deliver, without charge to the Registered Owner or transferee therefor, a new 2023/2024 Bond (or 2023/2024 Bonds at the option of the new Registered Owner) of the same series, date, designation, if any, maturity date and interest rate and for the same aggregate principal amount in any Authorized Denomination, naming as Registered Owner the person or persons listed as the assignee on the assignment form appearing on the surrendered 2023/2024 Bond, in exchange for such surrendered and canceled 2023/2024 Bond. Any 2023/2024 Bond may be surrendered to the Registrar and exchanged, without charge, for an equal aggregate principal amount of 2023/2024 Bonds of the same series or subseries, date, maturity date and interest rate, in any Authorized Denomination. The Registrar shall not be obligated to transfer or exchange any 2023/2024 Bond during the five-day period prior to the selection of 2023/2024 Bonds for redemption or the maturity date or following any mailing of notice of redemption. No charge shall be imposed upon Registered Owners in connection with any transfer or exchange, except for taxes or governmental charges related thereto.

Section 8. Mutilated, Destroyed, Lost or Stolen 2023/2024 Bonds.

If any 2023/2024 Bond is lost, stolen or destroyed, the University may execute and the Registrar may authenticate and deliver a new 2023/2024 Bond or 2023/2024 Bonds of like series or subseries, date and tenor to the Registered Owner thereof, all in accordance with law. However, no substitution or payment shall be made unless and until the applicant shall furnish (a) evidence satisfactory to said Registrar and Authorized Representative of the University of the destruction or loss of the original 2023/2024 Bond and of the ownership thereof, and (b) such additional

security, indemnity or evidence as may be required by the Authorized Representative of the University. No substitute 2023/2024 Bond shall be furnished unless the applicant shall reimburse the University and the Registrar for their respective expenses in the furnishing thereof. Any such substitute 2023/2024 Bond so furnished shall be equally and proportionately entitled to the security of this resolution with all other 2023/2024 Bonds issued hereunder.

Section 9. Payments of Principal, Redemption Price and Interest; Persons Entitled Thereto.

(a) *Payments of Principal, Interest, Purchase and Redemption Prices.* The principal or Redemption Price of each 2023/2024 Bond shall be payable upon surrender or delivery of such 2023/2024 Bond to the Registrar or as otherwise provided in the Bond Terms Agreement. [The bonds of this issue are subject to redemption prior to their scheduled maturity under the terms of the bond purchase contract for such bonds.]

Section 12. Redemption.

(a) *Optional Redemption.* 2023/2024 Bonds in a Term Mode, Index Floating Mode or Fixed Mode shall be subject to redemption at the option of the University, in whole or in part, in Authorized Denominations on such dates and at such prices as determined by the University for such 2023/2024 Bonds as set forth in the respective Bond Terms Agreement, as applicable. 2023/2024 Bonds in the Commercial Paper Mode are not subject to optional redemption prior to their respective Purchase Dates except as otherwise set forth in the respective Bond Terms Agreement. 2023/2024 Bonds in the Daily Mode or the Weekly Mode shall be subject to redemption at the option of the University, in whole or in part, in principal amounts which permit all remaining Outstanding Bonds of the same series or subseries to continue in Authorized Denominations, on the dates set forth in the Bond Terms Agreement at a Redemption Price equal to the principal amount thereof except as otherwise set forth in the respective Bond Terms Agreement. Bank Bonds shall be subject to redemption as set forth in the applicable Reimbursement Agreement or Loan Agreement.

(b) *Mandatory Redemption.* If the 2023/2024 Bonds of a series or subseries are issued in the Fixed Mode, any Term Bonds of such series or subseries shall be subject to mandatory redemption prior to their maturity by the Registrar in part, in the years and in the amounts set forth in the applicable Bond Purchase Contract (subject to reductions arising from the University's acquisition and surrender or the optional redemption of 2023/2024 Bonds, all as described in the next paragraph) or Bond Terms Agreement. If the 2023/2024 Bonds of a series or subseries are issued in a Daily Mode, Weekly Mode, Index Floating Mode or Commercial Paper Mode and converted to the Fixed Mode or Term Mode, the 2023/2024 Bonds of that series or subseries (other than Bank Bonds) may be converted in whole or in part to Serial Bonds and/or Term Bonds upon delivery of a favorable Opinion of Bond Counsel prior to the commencement of the Term Mode or Fixed Mode for such 2023/2024 Bonds and if so converted to Term Bonds shall be subject to mandatory sinking fund redemption as determined by the University pursuant to the Bond Terms Agreement, as applicable.

(c) *Selection of 2023/2024 Bonds for Redemption.* Whenever the University elects to redeem fewer than all of the 2023/2024 Bonds of a series or subseries, the University shall select

the maturity or maturities within such series or subseries to be redeemed. Except as may be otherwise set forth in the Bond Terms Agreement, whenever fewer than all the Outstanding 2023/2024 Bonds of a series or subseries and maturity are to be redeemed, the 2023/2024 Bonds to be redeemed shall be selected in accordance with the operational arrangements of DTC referred to in the Letter of Representations (or, in the event the 2023/2024 Bonds of a series or subseries are not in book-entry only form, randomly by the Registrar). In no event shall any Bond be Outstanding in a principal amount that is not an Authorized Denomination.

(d) *Notice of Redemption.* For so long as the book-entry system is in effect with respect to a series or subseries of 2023/2024 Bonds, notice of redemption shall be provided in accordance with the operational arrangements of DTC referred to in the Letter of Representations, and no additional published or other notice shall be provided by the University; *provided, however*, that the Credit Facility Issuer, if any, or Liquidity Facility Issuer, if any, shall be given prior written notice by the University of any proposed redemption of 2023/2024 Bonds. In any event, except as otherwise set forth in the Bond Terms Agreement, notice of redemption shall be given by the University to the Registrar who shall give notice to DTC at least 20 days prior to the proposed date of redemption during the Term Mode or Fixed Mode and at least 15 days prior to the proposed date of redemption during any other Mode, all as set forth in the University's written direction to the Registrar. If the book-entry system is not in effect with respect to a series or subseries of 2023/2024 Bonds, and except as otherwise set forth in the Bond Terms Agreement, notice of redemption shall be given in the manner hereinafter provided. Unless waived by any owner of 2023/2024 Bonds to be redeemed, official notice of any such redemption shall be given by the Registrar on behalf of the University in accordance with the University's written direction to do so by mailing a copy of an official redemption notice by first class mail at least 20 days and not more than 60 days prior to the date fixed for redemption during the Term Mode or Fixed Mode, and at least 15 days and not more than 60 days prior to the date fixed for redemption during any other Mode, to the Registered Owner of the 2023/2024 Bond(s) to be redeemed at the address shown on the Bond Register or at such other address as is furnished in writing by such Registered Owner to the Registrar.

(e) *Effect of Redemption.* Any notice for redemption may be conditional, in which case the conditions shall be set forth therein. If an unconditional notice of redemption has been given or if a conditional notice of redemption has been given and the conditions set forth in a conditional notice of redemption have been satisfied, then on the Redemption Date the 2023/2024 Bonds or portions thereof so called for redemption shall become payable at the Redemption Price specified in such notice; and from and after the Redemption Date, interest thereon or on portions thereof so called for redemption shall cease to accrue, such 2023/2024 Bonds or portions thereof shall cease to be Outstanding and to be entitled to any benefit, protection or security hereunder or under an applicable Trust Agreement, and the Owners of such 2023/2024 Bonds or portions thereof shall have no rights in respect thereof except to receive payment of the Redemption Price upon delivery of such 2023/2024 Bonds to the Registrar. Notwithstanding the foregoing, any Bank Bonds shall remain Outstanding until the Credit Facility Issuer or Liquidity Facility Issuer or Direct Purchaser, as the case may be, is paid all amounts due in connection with such 2023/2024 Bonds or portions thereof to be redeemed on the Redemption Date. After payment to the Credit Facility Issuer or Liquidity Facility Issuer or Direct Purchaser, as the case may be, of all amounts due on Bank Bonds such Credit Facility Issuer or Liquidity Facility Issuer or Direct Purchaser shall surrender such 2023/2024 Bonds to the Registrar for cancellation. The University may make such redemption

conditioned upon the occurrence of any specified event or events, including the deposit of funds, and if such event or events shall not occur, then the University may cancel such redemption by delivering a written notice of rescission to the Registrar rescinding such notice of redemption not later than 5:00 p.m. Pacific Time on the second business day prior to the redemption date and such notice of redemption and redemption shall be rescinded, cancelled and of no force or effect. Upon such receipt of the rescission notice from the University, the Registrar shall send a copy of the notice to the Owners of the 2023/2024 Bonds subject to the notice in the same manner as the notice of redemption was given.

Section 13. Bond Fund.

The Controller of the University is hereby authorized and directed to establish the Bond Fund as a special fund of the University to be designated as the General Revenue Bond Redemption Fund, 2023/2024 (the “Bond Fund”). The University covenants to deposit into the Bond Fund from General Revenues on or prior to each Interest Payment Date, Redemption Date and Maturity Date an amount sufficient to pay the interest on the 2023/2024 Bonds then coming due and the principal of the 2023/2024 Bonds maturing or subject to redemption and redemption premium, if any. The University will transfer to the Registrar from the Bond Fund sufficient funds to enable the Registrar to pay interest on and/or principal of and Redemption Price of the 2023/2024 Bonds to the Registered Owners, when any such payments are due to be paid to the Registered Owners. Net income earned on investments in the Bond Fund, if any, shall be retained? in the Bond Fund.

Section 14. Application of 2023/2024 Bond Proceeds.

(a) *2023/2024 New Money Bonds.* The Authorized Representative of the University is hereby authorized and directed to create a special fund or account of the University (the “Project Fund”). The proceeds of the 2023/2024 New Money Bonds shall be paid into the Project Fund. The money on deposit in the Project Fund shall be utilized to pay or reimburse the University for costs of the Projects and costs incidental thereto, and Issuance Costs, to the extent designated by the Authorized Representative of the University. Net income earned on investments in the Project Fund, if any, shall be deposited in the Project Fund.

All or part of the proceeds of the 2023/2024 New Money Bonds may be temporarily invested in Permitted Investments that will mature prior to the date on which such money shall be needed. Except as otherwise provided in the Federal Tax Certificate, the University covenants that all investments of amounts deposited in the Project Fund, or otherwise containing gross proceeds of the 2023/2024 Tax-Exempt Bonds (within the meaning of Section 148 of the Code) will be acquired, disposed of, and valued (as of the date that valuation is required by the Code) at Fair Market Value.

In the event that it shall not be possible or practicable to accomplish all of the Projects, the University may apply the proceeds of the 2023/2024 New Money Bonds to pay the costs of such portion thereof or such other projects as the Authorized Representative of the University shall determine to be in the best interests of the University.

Any amount remaining in the Project Fund after all costs referred to in this section have been paid may be used to acquire, construct, equip and make other improvements to University

projects subject to the limitations of this resolution or may be transferred to the Bond Fund for the uses and purposes therein provided, and any applicable limitations set forth in the Federal Tax Certificate.

(b) *2023/2024 Refunding Bonds.* The proceeds of each series of 2023/2024 Refunding Bonds shall be disbursed as provided in the related Escrow Agreement and/or Trust Agreement to redeem the Refunded Bonds on their Call Dates, defease the Refunded Bonds to their Call Dates, acquire the Refunded Bonds and/or exchange the Refunded Bonds, including through the application of proceeds of the 2023/2024 Refunding Bonds to acquire Acquired Obligations for deposit, together with cash, as provided in such Escrow Agreement and/or Trust Agreement.

Section 15. Source of Repayment and Security for 2023/2024 Bonds.

(a) *Special Fund Obligations.* The 2023/2024 Bonds shall be special fund obligations of the University, payable solely from General Revenues and the money and investments deposited into the Bond Fund. In addition, any Building Fee Revenue Bonds are payable first from money and investments in the University of Washington Bond Retirement Fund. The 2023/2024 Bonds shall not constitute an obligation, either general, special or moral, of the State, nor a general or moral obligation of the University. The Registered Owners of the 2023/2024 Bonds shall have no right to require the State, nor has the State any obligation or legal authorization, to levy any taxes or appropriate or expend any of its funds for the payment of the principal thereof or the interest or any premium thereon. The University has no taxing power.

(b) *All Bonds Have Equal Claim on General Revenues.* The Bonds and Additional Bonds shall be equally and ratably payable, without preference, priority or distinction because of date of issue or otherwise from General Revenues.

(c) *Additions to General Revenues.*

(1) The University reserves the right to include in General Revenues, at its sole option, in the future, other sources of revenue or income, specifically including, but not limited to, all or any portion of the items or any auxiliary systems added pursuant to subsection (2) of this Section 15(c), currently excluded as part of General Revenues.

(2) Such additions shall occur on the date and as provided in a certificate executed by the Controller. The Controller shall, in the case of additions of items or auxiliaries to General Revenues prior to the Springing Effective Date, certify that for the preceding two Fiscal Years for which audited financial statements are available, the item or auxiliary maintained a “coverage ratio” of at least 125%, where the “coverage ratio” equals: (A) Net Revenue (for those items or auxiliaries whose debt has a lien on Net Revenues) or gross revenues (for those items or auxiliaries whose debt has a lien on gross revenues), divided by (B) debt service with respect to the then-outstanding revenue debt of the auxiliary or item and state-reimbursed bonds allocable to such auxiliary or item. On and after the Springing Effective Date, no such coverage ratio certification of the Controller shall be required to add items or auxiliaries to General Revenues. In the event an auxiliary or item is added to General Revenues, the obligations of that auxiliary or item may remain outstanding and have a prior claim on auxiliary Net Revenue. For the purposes of clarification, by its terms this subsection applies only to auxiliary systems or items that have issued and have

outstanding obligations that are secured by a lien on Net Revenues or gross revenues of such auxiliary system or item. The certification has no applicability in the case of the addition of revenues that are not encumbered by a lien, which may be added under subsection (1) above.

(d) *Deletions from General Revenues.* The University reserves the right to remove, at its sole option, in the future, any revenues from General Revenues. The removal of General Revenues shall be evidenced by a certificate executed by the Controller of the University (or the successor to the functions of the Controller) identifying the items to be deleted.

(e) *Building Fee Revenue Bonds.* If any of the 2023/2024 Bonds are designated as Building Fee Revenue Bonds pursuant to Section 18, such Building Fee Revenue Bonds shall be payable from and secured by a pledge of any or all of the revenues and receipts of the University of Washington Bond Retirement Fund. In addition, Building Fee Revenue Bonds shall be payable from General Revenue and money and investments in the Bond Fund.

The Board hereby covenants to establish, maintain and collect Building Fees in such amounts that will provide money sufficient to pay the principal of and interest on all bonds, including any Building Fee Revenue Bonds, payable out of the University of Washington Bond Retirement Fund, to set aside and maintain reserves, if any, required to secure the payment of such principal and interest, and to maintain coverage, if any, which may be required over such principal and interest. Notwithstanding the foregoing, the Board hereby orders that in the event there is ever an insufficient amount of money in the University of Washington Bond Retirement Fund to pay principal of or interest on any Building Fee Revenue Bond when due, moneys shall be transferred from the University of Washington Building Account to the University of Washington Bond Retirement Fund.

Amounts on deposit in the University of Washington Bond Retirement Fund shall be invested in Permitted Investments. Any money on deposit in the University of Washington Bond Retirement Fund may be transferred to the University of Washington Building Account to the extent and as permitted by the Building Fee Revenue Bond Act.

Building Fee Revenue Bonds shall not be general or special obligations of the state of Washington, but shall be limited obligation bonds of the University payable only from Building Fees, money and investments in the University of Washington Bond Retirement Fund, General Revenues and money and investments in the Bond Fund.

Section 16. Investment of Funds.

The University covenants to invest and reinvest money deposited in the Bond Fund only in Permitted Investments. Except as otherwise provided in the Federal Tax Certificate, the University covenants that all investments of amounts deposited in the Bond Fund, or otherwise containing gross proceeds of the 2023/2024 Tax-Exempt Bonds (within the meaning of Section 148 of the Code) will be acquired, disposed of, and valued (as of the date that valuation is required by the Code) at Fair Market Value.

Section 17. Establishment of Additional Accounts and Subaccounts.

The University reserves the right, to be exercised in its sole discretion, to establish such additional accounts within the funds established pursuant to this resolution, and subaccounts within such accounts, as it deems necessary or useful for the purpose of identifying more precisely the sources of payments herein and disbursements therefrom; provided that the establishment of any such account or subaccount does not alter or modify any of the requirements of this resolution with respect to a deposit or use of money or result in commingling of funds not permitted hereunder.

Section 18. Additional Bonds.

The University shall have the right to issue one or more series of Additional Bonds for University purposes as permitted under the Bond Act, the Building Fee Revenue Bond Act or otherwise under State law, and to pay the costs of issuing Additional Bonds, or to refund or advance refund any Bonds or other obligations. The University shall have the right to designate one or more series of Additional Bonds as Building Fee Revenue Bonds payable from and secured by the Building Fee and money and investments in the University of Washington Bond Retirement Fund on a parity with the lien thereon of outstanding Building Fee Revenue Bonds to the extent permitted by the Building Fee Revenue Bond Act. The University shall have the further right to pledge Building Fees and moneys and investments in the University of Washington Bond Retirement Fund to pay Additional Bonds payable from and secured solely by such Building Fees and moneys and investments on a parity with the lien thereon of outstanding Building Fee Revenue Bonds.

Section 19. Covenants Regarding Tax Exemption. The University will take all actions necessary to assure the exclusion of interest on the 2023/2024 Tax-Exempt Bonds from the gross income of the owners of the 2023/2024 Tax-Exempt Bonds to the same extent as such interest is permitted to be excluded from gross income under the Code as in effect on the date of issuance of the 2023/2024 Tax-Exempt Bonds, including but not limited to the following:

(a) The University will assure that the proceeds of the 2023/2024 Tax-Exempt Bonds are not used so as to cause the 2023/2024 Tax-Exempt Bonds to satisfy the private business tests or the private loan financing test, as applicable and as set forth in the Federal Tax Certificate.

(b) The University will not sell or otherwise transfer or dispose of (i) any personal property components of the Projects financed with the 2023/2024 Tax-Exempt Bonds other than in the ordinary course of an established government program or (ii) any real property components of the Projects financed with the 2023/2024 Tax-Exempt Bonds, unless it has received an opinion of nationally recognized bond counsel to the effect that such disposition will not adversely affect the treatment of interest on the 2023/2024 Tax-Exempt Bonds as excludable from gross income for federal income tax purposes as set forth in the Federal Tax Certificate.

(c) The University will not take any action or permit or suffer any action to be taken if the result of such action would be to cause any of the 2023/2024 Tax-Exempt Bonds to be “federally guaranteed” as set forth in the Federal Tax Certificate.

(d) The University will take any and all actions necessary to assure compliance with the rebate of excess investment earnings, if any, to the federal government, to the extent that such

section is applicable to the 2023/2024 Tax-Exempt Bonds as set forth in the Federal Tax Certificate.

(e) The University will not take, or permit or suffer to be taken, any action with respect to the proceeds of the 2023/2024 Tax-Exempt Bonds which, if such action had been reasonably expected to have been taken, or had been deliberately and intentionally taken, on the date of issuance of the 2023/2024 Tax-Exempt Bonds would have caused the 2023/2024 Tax-Exempt Bonds to be “arbitrage bonds” as set forth in the Federal Tax Certificate.

(f) The University will maintain a system for recording the ownership of each 2023/2024 Tax-Exempt Bond that complies with the Code until all 2023/2024 Tax-Exempt Bonds have been surrendered and canceled.

(g) The University will retain its records of all accounting and monitoring it carries out with respect to the 2023/2024 Tax-Exempt Bonds for at least three years after the 2023/2024 Tax-Exempt Bonds mature or are redeemed (whichever is earlier); however, if the 2023/2024 Tax-Exempt Bonds are redeemed and refunded, the University will retain its records of accounting and monitoring at least three years after the earlier of the maturity or redemption of the obligations that refunded the 2023/2024 Tax-Exempt Bonds.

(h) The University will comply with the provisions of the Federal Tax Certificate with respect to the 2023/2024 Tax-Exempt Bonds, which are incorporated herein as if fully set forth herein. In the event of any conflict between this Section and the Federal Tax Certificate, the provisions of the Federal Tax Certificate will prevail.

(i) In the event the University issues one or more series of bonds eligible for federal tax credits, a federal interest subsidy, or other subsidy, the University will comply with the provisions of the Federal Tax Certificate setting forth or incorporating applicable requirements.

The covenants of this Section will survive payment in full or defeasance of the 2023/2024 Tax-Exempt Bonds.

Section 20. No Recourse Against Individuals.

No owner of a 2023/2024 Bond (registered or beneficial) shall have any recourse for the payment of any part of the principal, interest, or Redemption Price, if any on the 2023/2024 Bonds, or for the satisfaction of any liability arising from, founded upon, or existing by reason of, the issuance or ownership of such 2023/2024 Bonds against the officers of the University or officers or members of the Board in their individual capacities.

Section 21. Defeasance.

Except as otherwise set forth in the Bond Terms Agreement, any 2023/2024 Bonds shall be deemed to have been paid and not Outstanding under this resolution and shall cease to be entitled to any lien, benefit or security of this resolution and any money and investments held hereunder, except the right to receive the money and the proceeds and income from Government Obligations set aside and pledged in the manner hereafter described, if:

(a) in the event that any or all of 2023/2024 Bonds are to be optionally redeemed, the University shall have given to the Registrar irrevocable instructions to give such notice of redemption of such 2023/2024 Bonds as may be required by the provisions of this resolution; and

(b) there shall have been made an Irrevocable Deposit, with the Registrar or another corporate fiduciary of money in an amount which shall be sufficient and/or noncallable Government Obligations that are direct or indirect obligations of the United States or obligations unconditionally guaranteed by the United States maturing at such time or times and bearing such interest to be earned thereon, without considering any earnings on the reinvestment thereof, as will provide a series of payments which shall be sufficient, together with any money initially deposited, to provide for the payment of the principal of and the interest on the defeased 2023/2024 Bonds, when due in accordance with their terms, or upon the earlier prepayment thereof in accordance with a refunding plan; and such money and the principal of and interest on such Government Obligations are set aside irrevocably and pledged in trust for the purpose of effecting such payment, redemption or prepayment.

Nothing contained in this Section 21 shall be construed to prohibit the partial defeasance of the lien of this resolution providing for the payment of one or more, but not all of the Outstanding 2023/2024 Bonds. In the event of such partial defeasance, this resolution shall be discharged only as to the 2023/2024 Bonds so defeased.

Section 22. Approval of Official Statement.

The University hereby authorizes and directs the Authorized Representative of the University to approve one or more solicitations for the tender of outstanding Refunding Candidates, to approve the preparation and distribution of one or more Offers, to approve the information contained in each Preliminary Official Statement, if any, pertaining to 2023/2024 Bonds or 2023/2024 bonds issued on behalf of the University, to “deem final” each Preliminary Official Statement, if any, as of its date, except for the omission of information on offering prices, interest rates, selling compensation, delivery dates and any other terms or provisions of the 2023/2024 Bonds dependent on such matters, for the sole purpose of the applicable underwriter’s compliance with the Rule and to authorize the distribution thereof to prospective purchasers of the series of 2023/2024 Bonds and others. The University further authorizes and directs any of such officers to approve the preparation, distribution and use of a final Official Statement or any other offering document, and to approve the information contained therein, in connection with the offering and sale of the applicable 2023/2024 Bonds or 2023/2024 bonds issued on behalf of the University, to the actual purchasers of the 2023/2024 Bonds and others. The University hereby authorizes any of such officers to execute each final Official Statement or other offering document described above to indicate such approval.

Upon determination by the Authorized Representative of the University that all conditions to Closing set forth in the applicable Bond Terms Agreement have been satisfied, or upon waiver of such conditions by the appropriate parties, the Authorized Representative of the University is hereby authorized and directed (a) to cause such 2023/2024 Bonds, executed as provided in this

resolution, to be authenticated and delivered; and (b) to execute, for and on behalf of the University, and to deliver to the persons entitled to executed copies of the same, the Official Statement or other offering document and all other documents required to be delivered, at or before the Closing Date pursuant to the applicable Bond Terms Agreement. The proper University officials are hereby authorized and directed to do everything necessary and proper for the prompt printing, execution, authentication, issuance and delivery of the 2023/2024 Bonds in exchange for the purchase price thereof, including any other consideration therefor.

This authorization is in addition to any previously delegated authority, including under the Debt Policy.

Section 24. Undertaking to Provide Continuing Disclosure.

An Authorized Representative of the University is authorized to, in the Authorized Representative of the University's discretion, execute and deliver a certificate regarding continuing disclosure in order to assist the underwriters for 2023/2024 Bonds in complying with Section (b)(5) of the Rule.

Section 25. Payment Agreements (Interest Rate Swap Agreements).

The University may enter into a Payment Agreement providing for an exchange of Reciprocal Payments for University Payments in connection with one or more series or subseries of 2023/2024 Bonds. The following shall be conditions precedent to the use of any Payment Agreement.

(a) *Opinion of Bond Counsel.* The University shall obtain an opinion of its Bond Counsel on the due authorization and execution of such Payment Agreement opining that the action proposed to be taken by the University is authorized or permitted by this resolution and by Washington law and will not adversely affect the exclusion from gross income for federal income tax purposes of the interest on the applicable series or subseries of 2023/2024 Tax-Exempt Bonds.

(b) *Certification of Municipal Advisor.* The University shall obtain, on or prior to the date of execution of the Payment Agreement, a written certification from a municipal advisor satisfying the requirements under RCW 39.96.030.

(c) *Approval of the State Finance Committee.* The Payment Agreement shall have been approved by the State Finance Committee under terms set forth in a resolution thereof, subject to final approval and authorization of the Payment Agreement by the Chair of the State Finance Committee pursuant to such terms. The approval of the State Finance Committee shall not constitute the pledge of the full faith and credit of the State. The University shall have the option to terminate the Payment Agreement in whole or in part, in the discretion of the Authorized Representative of the University.

(d) *Selection of Reciprocal Payor.* Prior to selecting the Reciprocal Payor, the University shall solicit and give due consideration to proposals from at least two entities that meet the criteria set forth in RCW 39.96.040(2). Such solicitation and consideration shall be conducted in such manner as the University (or the State Treasurer if so directed by resolution of the State Finance Committee) shall determine is reasonable.

(e) *Payments.* The Payment Agreement shall set forth the manner in which the University Payments and Reciprocal Payments are to be calculated and a schedule of Derivative Payment Dates. The University shall provide an annual report or certificate to the State Treasurer setting forth the information regarding the Payment Agreement, in form satisfactory to the State Treasurer.

(f) *Findings.*

(1) The obligations of the University under the Payment Agreement shall be paid solely from General Revenues.

(2) If the University enters into a Payment Agreement, University Payments shall be made from the Bond Fund. Reciprocal Payments shall be paid directly into the Bond Fund or a separate account therein.

(3) If the foregoing conditions are complied with, the Payment Agreement will lower the net cost of borrowing for the related 2023/2024 Bonds or reduce the University's exposure to fluctuations in interest rates on the related 2023/2024 Bonds. This finding shall be confirmed in a report of the Authorized Representative of the University.

Section 26. Supplemental Resolutions.

(a) *Without Consent of Owners.* The Board, from time to time and at any time, may adopt a resolution or resolutions supplemental to this resolution which supplemental resolution or resolutions thereafter shall become a part of this resolution, for any one or more or all of the following purposes:

(1) to add to the covenants and agreements of the University in this resolution other covenants and agreements thereafter to be observed, which shall not materially adversely affect the interests of the Registered Owners of any Outstanding 2023/2024 Bonds affected by the supplemental resolution, or to surrender any right or power herein reserved to or conferred upon the University;

(2) to make such provisions for the purpose of curing any ambiguities or of curing, correcting or supplementing any defective provision contained in this resolution or any resolution authorizing Additional Bonds in regard to matters or questions arising under such resolutions as the Board may deem necessary or desirable and not inconsistent with such resolution and which shall not materially adversely affect the interest of the Registered Owners of Outstanding 2023/2024 Bonds.

Any such supplemental resolution of the Board may be adopted without the consent of the owners of any 2023/2024 Bonds at any time outstanding, notwithstanding any of the provisions of subsection (b) of this section.

(b) *With Consent of Owners.* With the consent of the Registered Owners of not less than 51% in aggregate principal amount of all Outstanding 2023/2024 Bonds of a series affected by a supplemental resolution, the Board may adopt a resolution or resolutions supplemental hereto for the purpose of adding any provisions to or changing in any manner or eliminating any of the

provisions of this resolution or of any supplemental resolution provided, however, that no such supplemental resolution shall:

(1) extend the fixed maturity of any Outstanding 2023/2024 Bonds, or reduce the rate of interest thereon, or extend the time of payment of interest from their due date, or reduce the amount of the principal thereof, or reduce any premium payable on the redemption thereof, without the consent of the owner of each 2023/2024 Bond so affected; or

(2) reduce the aforesaid percentage of Registered Owners required to approve any such supplemental resolution, without the consent of the Registered Owners of all of the Outstanding 2023/2024 Bonds affected by the reduction.

It shall not be necessary for the consent of Registered Owners under this subsection (b) to approve the particular form of any proposed supplemental resolution, but it shall be sufficient if such consent shall approve the substance thereof. The Reimbursement Agreement may provide rights to the Credit Facility Issuer or Liquidity Facility Issuer to consent to supplemental resolutions on behalf of Registered Owners of Bonds for which it provides credit and liquidity support or in addition to such Registered Owners.

Section 27. Concerning the Registered Owners.

(a) *Form of Consent of Registered Owners.* Any request, direction, consent or other written instrument required by this resolution to be signed or executed by the Registered Owners may be in any number of concurrent written instruments of similar tenor and may be signed or executed by such Registered Owners in person or by an agent or agents duly appointed by a written instrument. Proof of the execution of any such written instrument and of the ownership of the 2023/2024 Bonds shall be sufficient for any purpose of this resolution and shall be conclusive in favor of the University, and/or the Registered Owners with regard to any action taken under such instrument, if made in the following manner:

(1) the fact and date of the execution by any Registered Owner of any such instrument may be proved by the certificate of any officer in any jurisdiction who, by the laws thereof, has power to take acknowledgments of deeds to be recorded within such jurisdiction, to the effect that the Registered Owner signing such instrument acknowledged to him or her the execution thereof, or by an affidavit of a witness to such execution; and

(2) the ownership of 2023/2024 Bonds shall be proved by the Bond Register maintained by the Registrar.

Nothing contained in this Section 27(a) shall be construed as limiting the University to the proof above specified, it being intended that the University may accept any other evidence of the matters herein stated to which it may seem sufficient.

(b) *Waiver of Form.* Except as otherwise provided herein, any notice or other communication required by this resolution to be given by delivery, publication or otherwise to the Registered Owners or any one or more thereof may be waived, at any time before such notice or communication is so required to be given, by written waivers mailed or delivered to the University

by the Registered Owners of all 2023/2024 Bonds of a series or subseries entitled to such notice or communication.

(c) *Revocation; Conclusive Action.* At any time prior to (but not after) the evidencing to the University of the taking of any action by the Registered Owners of the percentage in aggregate principal amount of Outstanding 2023/2024 Bonds of a series or subseries specified in this resolution in connection with such action, any Registered Owner may, by filing written notice with the University, revoke any consent given by such Registered Owner or the predecessor Registered Owner of such 2023/2024 Bond. Except as aforesaid, any such consent given by the Registered Owner of any 2023/2024 Bond shall be conclusive and binding upon such Registered Owner and upon all future Registered Owners of such 2023/2024 Bond and of any 2023/2024 Bond issued in exchange therefor or in lieu thereof, irrespective of whether or not any notation in regard thereto is made upon such 2023/2024 Bond. Any action taken by the Registered Owners of the percentage in aggregate principal amount of a series or subseries of Outstanding 2023/2024 Bonds specified in this resolution in connection with such action shall be conclusively binding upon the University and the Registered Owners of all Outstanding 2023/2024 Bonds.

Section 28. Determination of Registered Owners' Concurrence.

In determining whether the Registered Owners of the requisite aggregate principal amount of a series or subseries of Outstanding 2023/2024 Bonds have concurred in any demand, request, direction, consent or waiver under this resolution, 2023/2024 Bonds which are owned by or held in the name of the University shall be disregarded and deemed not to be Outstanding for the purpose of any such determination. 2023/2024 Bonds so owned which have been pledged in good faith may be regarded as Outstanding for the purposes of this Section 28 if the pledgee shall establish to the satisfaction of the University the pledgee's right to vote such 2023/2024 Bonds and that the pledgee is not the University.

Section 29. University Acquisition of 2023/2024 Bonds.

The University may acquire 2023/2024 Bonds by (a) purchase of 2023/2024 Bonds offered to the University at any time and from time to time at such purchase price as the University deems appropriate; or (b) gift at any time and from time to time on terms as the University deems appropriate.

Section 30. Contract-Savings Clause.

The covenants contained in this resolution, the 2023/2024 Bonds and the provisions of the Bond Act shall constitute a contract between the University and the Registered Owners of the 2023/2024 Bonds and shall be construed in accordance with and controlled by the laws of the State. If any one or more of the covenants or agreements provided in this resolution to be performed on the part of the University shall be declared by any court of competent jurisdiction and final appeal, if any appeal be taken, to be contrary to law, then such covenant or covenants, agreement or agreements shall be null and void and shall be deemed separable from the remaining covenants and agreements in this resolution and shall in no way affect the validity of the other provisions of this resolution or of the 2023/2024 Bonds.

Section 31. No Benefits to Outside Parties.

Nothing in this resolution, express or implied, is intended or shall be construed to confer upon or to give to any person, other than the University, the Registrar, any Credit Facility Issuer, any Liquidity Facility Issuer, or the Registered Owners of Bonds, any right, remedy or claim under or by reason of this resolution; and the covenants, stipulations and agreements in this resolution are and shall be for sole and exclusive benefit of the University, the Registrar, any Credit Facility Issuer, the Liquidity Facility Issuer, and the Registered Owners of Bonds, their successors and assigns.

Section 32. Immediate Effect.

This resolution shall take effect immediately upon its adoption.
